I am aware that the visa fee is non-refundable.

I declare that, to the best of my knowledge, all information and documents supplied by me are correct and complete. I am aware that any false statement(s) will lead to my application being rejected or to the annulment of a visa already granted and may also render me liable to prosecution.

I have been informed that possession of a visa is only one of the prerequisites for entry into the territory of the Gambia through its entry points. Being granted a visa does not mean that you could not be refused entry into the Gambia and that the prerequisites for entry will not be checked again by the Gambian authorities.

Je suis conscient que les frais de visa ne sont pas remboursables.

Je déclare que, à ma connaissance, toutes les informations et tous les documents que j'ai fournis sont corrects et complets. Je suis conscient que toute fausse déclaration entraînera le rejet de ma demande ou l'annulation d'un visa déjà accordé et pourrait également me rendre passible de poursuites.

Je suis informé que la possession d'un visa n'est que l'une des conditions préalables à l'entrée sur le territoire gambien par ses points d'entrée. L'obtention d'un visa ne signifie pas que vous ne pouvez pas être refusé l'entrée en Gambie et que les conditions préalables à l'entrée ne seront plus vérifiées par les autorités gambiennes.
